

PARAMOUNT PROPERTY COMPANY

OPERATING FROM AN OWNER'S PERSPECTIVE, WE DELIVER RESULTS THAT CREATE VALUE

Driven by pride, passion and competitive spirit, Paramount Property Company is a commercial property management company based in the San Francisco Bay Area. Our mission is to maximize our clients' return on investment while delivering the highest quality of care and service to owners, tenants, and team members.

DAILY OPERATIONS

We continually seek the perfect balance between tenant relations and the bottom line, and we are focused on increasing asset values through business plan execution.

PROJECT MANAGEMENT

Our project management team provides strategic project planning and value engineering, on-time and on budget.

FINANCIAL REPORTING

We provide a full scope of accounting services, customized financial and operational reporting, and cash management utilizing our YARDI Software and electronic invoice processing service.

FACILITIES MANAGEMENT

Paramount enforces rules and regulations established by the ownership and provide recommendations to ensure safety measures are met at the property.

AN EXPERIENCED TEAM YOU CAN TRUST

Since inception, Paramount Property Company has grown our portfolio from a handful of Bay Area buildings to over 30 properties in three major metropolitan areas. In every case, we have achieved significant appreciation and income growth.
